### STATEMENT OF COMMITMENT TO THE FX GLOBAL CODE

iSAM Securities Limited has formally signed a Statement of Commitment to the FX Global Code, recognizing it as a set of principles that reflect good practice in the wholesale foreign exchange market. As a Market Participant under the Code's definition, the firm affirms its dedication to conducting FX market activities in line with these principles. In accordance with the size and complexity of its operations, as well as the nature of its FX market engagement, iSAM Securities Limited has taken appropriate steps to align its activities with the Code's standards.
